PASTRIES "PASTELITOS"

A Sweet Tradition in Every Bite!

Our pastelitos are more than pastries — they are little pieces of tradition wrapped in layers of golden, flaky dough. Each one begins with our perfected puff pastry, tender and crisp in every bite, baked to a warm golden glow.

Inside, you'll find fillings inspired by flavors that have brought joy to generations. Take our Guava Pastelito! Bursts with tropical sweetness, balancing fruity richness with a hint of tartness.

From the first buttery crunch to the last touch of sweetness, our pastelitos are crafted to bring moments of happiness — perfect for breakfast, coffee breaks, or celebrations.

Because for us, baking is not just about making pastries — it's about creating memories.
